

RACE INFORMATION PACKAGE & RACE SCHEDULE (V2)

2021 Fairway Gorge SPLASH DASH
A MULTI-SPORT EVENT | SATURDAY 7 AUGUST

Race and Site Information

Fairway Gorge SPLASH DASH is the first FGPC festival since the COVID pandemic limited training and racing in the early spring of 2019. These 250m sprints give return-to-racing paddlers the opportunity to showcase the work they've put into training during this year's short training season.

A general safety meeting will be held at 8:45am on the main stage located along the upper dock section of the main rowing docks. Solo and team check-ins begin at 8am on the upper deck (at the finish line tent). All participants must check in at the Finish Line Desk prior to racing. For crew boats, please bring any final changes in your roster to the desk at the finish line tent at that time. All paddlers must have valid FGPC waivers on file before participating in the day's racing.

Races, as per the accompanying Race Schedule, begin at 9am to allow for visiting paddlers to arrive at FGPC. Racing will conclude by 5pm. Solo and crew competitors are required to marshal in loading zones at least 20 minutes before their scheduled start times and load in the areas specific to each boat type as follows:

1. Dragon Boat teams: main rowing dock (boats #1, #2, #3, #4)
2. OC6 teams: south dock (boats #1, #2, #3)
3. OC2 teams: west launching dock (boats #1, #2, #3)
4. OC1 paddlers: east launching dock (boats #1, #2, #3, #4)
5. SUP paddlers: north dock launching platforms (boards #1, #2, #3)

Please ensure that solo and crew paddlers muster at least 20 minutes early at the main marshalling area (in the breezeway adjacent to Glo Restaurant & and the duck pond). Competitors will be directed from the marshalling area to their loading zones no later than 10 minutes prior to your scheduled start times. You will have 10 minutes to load and make your way to the start zone located 250 meters south of the finish line. Competitors who arrive late at the start line may be required to forfeit their races; the races will not be held for latecomers.

Note that teams and solo racers must load into their designated FGPC-supplied crew boats, solo boats or SUPs that have their assigned lane numbers. [For example, if “Jane Smith” is scheduled to race in OC1 in lane 3 at 11am, Jane must muster no later than 10:40am, then transit to the east launching dock at 10:50am and load into OC1 #3. She must then paddle directly to the start line and prepare to start at 11am sharp in lane #3, then return to the same loading dock immediately after her race.] Paddlers must check the posted advancements to ensure they know when their next race begins and in what lane and corresponding boat, and muster 20 minutes early for their next posted race.

All teams and solo competitors will race at least twice during the day: placement heats run in the morning, followed by medal finals in the afternoon. There will be championship finals at the end of the races for those with the fastest race times in the previous medal finals in OC1, OC6 and dragon boat categories. The fastest two OC2 teams will also compete in a final championship heat. All participants will receive commemorative medals in Gold, Silver or Bronze.

Food and Beverages (including beer and cider)

Sol Fine Foods (across the street from FGPC’s store on Jutland Road) will be open on race day and is located in the middle section of the paddlers’ village. Sol Foods will have a paddlers’ menu and selection of alcoholic and non-alcoholic beverages. FGPC will also have bottled water and sparkling beverages for sale in our store and along the docks.
